From Controlling to Empowering Leadership

Control-over power (controllers) Influence-with power (empowerers) Control-over power is probably the most prevalent form of power experienced by man throughout history. It is power that is imposed from without. Such leaders believe they have to control people in order to accomplish organizational results. These leaders may accomplish much, but often at a high price. At best, their tactics

3 Ways to Control Cutworms wikiHow

To control cutworms, start by removing the ends of metal cans, or cutting cardboard or plastic to make tubes. Then, push these collars into the dirt around your plant stems, so they form a 1-inch deep and 3-inch tall barrier around your plants. For even better results, combine collaring with another method of prevention, like sprinkling cornmeal around your plants to kill cutworms
