An EcoFeminist Community in the Hawaiian Rainforest

Eco-feminism draws connections between the feminist and environmental movements. It equates the treatment of women on the planet with the treatment of Mother Earth. It also references the fact that women's work in the world is traditionally more closely connected to the planet.

Feminism Wikipedia

Pro-feminism is the support of feminism without implying that the supporter is a member of the feminist movement. The term is most often used in reference to men who are actively supportive of feminism. The activities of pro-feminist men's groups include anti-violence work with boys and young men in schools, offering sexual harassment workshops in workplaces, running community education
