Management Metaphors are used often by managers to communicate and clarify the meaning of complex things or concepts, such as a strategy, a strategic vision, a mission statement and, last but not least, a management method or philosophy. A metaphor (from Greek metapherein - to transfer) is a comparison which imaginatively compares one

Metaphorical Management Using Intuition and Creativity

In times of general instability change management is a great challenge. Our fossil mental patterns are not sufficient any more to be able to navigate sensibly the global scenario of complexity. Metaphorical thinking is a method which releases creative impulses into every change process and is of
