The Future of Aging Life Extension Magazine

Aging research (biogerontology) has seen staggering exponential advances in the last decade, but the contributors to The Future of Aging have come together for the first time in a single volume to make the convincing case that we are still in the beginning stages, and indeed the best is yet to come. They assert that we are in the midst of a crucial period in the study of aging: millions of

The Future of the State Lauder Institute

The Future of the State | 2 The State at a Crossroads The state is both an institution and an actor of utmost importance, and it is the subject of much debate and criticism as well as praise. The fiscal crisis in many parts of the world has forced politicians, policymakers and voters to revisit some long-held assumptions about the role of the state in the economy, the society, and the culture
