The Lemonade War (The Lemonade War Series Book 1) review [Book] 2017-12-26 18:1 This book was a lovely begin to the Lemonade battle series! I loved the book but sadly I have read the second book but the first one was a lovely novel of the Lemonade battle series. I liked every part but when they said "I hate you" I don't mind but it

makes me sad.

A carefully measured volume of the lemonade would be placed in the flask. An indicator that will change colour is also added. An alkali whose concentration is accurately known would be placed in a burette, and then added to the flask. Eventually the alkali would be added drop by drop until the indicator changes colour to show that the acid in the lemonade has been neutralised. Before the
