I am reading Dr. Funder's Personality Puzzle as part of a self designed program to prepare myself for graduate level course work in counseling psychology and my own self-development. I have found the text an enjoyable, thorough, interesting, and most of the time, reasonably easy read especially if you have been exposed to a general psychology course.

Funder's book is a nice example of what a psychology textbook ought to be: entertaining, witty, objective, concise, and informative. Rather than being dry, technical, or long-winded, the book is fascinating and intelligent (and this is coming from someone who had no interest in personality psychology and used her textbooks as a quick way to
