Academic Arguments - Colorado State University
Academic Arguments An academic argument is a formal argument constructed according to the specific conventions of the academic discipline in which it is presented. A literature argument, for instance, will typically include evidence from the literary text in question; a biology argument will include data from field or laboratory research.

Academic Writing Style - Organizing Your Social Sciences ...

Academic writing refers to a style of expression that researchers use to define the intellectual boundaries of their disciplines and their specific areas of expertise. Characteristics of academic writing include a formal tone, use of the third-person rather than first-person perspective (usually), a clear focus on the research problem under investigation, and precise word choice. Like specialist languages adopted in other professions, such as, law or medicine, academic writing is designed to
